Test Scheme Gamma

Ministry of Fictional Enterprise Development

This is a fictional scheme created to test Yojana Sahayak. It does not exist.

Overview

Test Scheme Gamma is an invented support programme for first-time entrepreneurs who want to register a startup.

Benefits

- A fictional seed grant of up to 5,00,000 test-rupees for prototype development.
- Fictional mentoring sessions with industry volunteers for one year.

Eligibility

- The applicant must be an entrepreneur aged between 21 and 40 years.
- The applicant must hold at least a diploma or a graduate degree.
- The startup must be less than three years old on the date of application.

Exclusions

- Startups that have already raised fictional venture funding are not eligible.

Documents Required

- Aadhaar card
- PAN card
- Startup registration certificate
- Pitch deck describing the product.

How to Apply

Submit the online form on the fictional Gamma portal and attend a short interview.
